- Automatic shut-off when iron is left unattended

Longer living
- Double Active Calc System: Prevents and flushes out scale particles

Technical Specifications
- Voltage: 220-240 V
- Power: 2400 W
- Frequency: 50-60 Hz
- Product dimensions: 303 x 120 x 152 cm
- Product weight: 1.70 kg
- Watertank capacity: 335 ml

Accessories
- Cord binder for easy cord storage
- Heat protective cover: Allows for immediate storage

Product highlights

Ionic DeepSteam
The ionization process creates smaller steam particles that reach deeper into the fabric. This means even the toughest creases are removed easily.

Steam Tip
The unique Steam tip combines a particularly pointed front of the soleplate with special elongated steam slots in the tip, to reach right into the smallest and most difficult areas for the best ironing results.

Automatic safety shut-off
The electronic safety shut-off automatically switches the iron off when it is left unattended or tips over.

Heat protective cover
Heat protective cover allows immediate safe storage after use

SteamGlide soleplate
The specially designed soleplate combines small vents for superior gliding on all fabrics and large vents for powerful crease removal
